

# Used Fluid Return Authorization Request

Return Authorization Number: \_\_\_\_\_ Date issued: \_\_\_\_\_

- **A Minimum of 2 GALLONS of the same fluid type/grade are required for proper processing.**
- Kurt J. Lesker Company (KJLC) will issue a Return Authorization number (RA#) for recycling of fluid after the customer accurately completes and returns this form and KJLC approves.
  - **KJLC will not accept customer returns without a valid RA # and this completed form.**
- Customer must properly package spent fluid to assure proper transit and prevent shipping damage according to applicable Department of Transportation (DOT) regulations for the fluid. KJLC can supply DOT approved containers.
- Reclamation cost for all fluids is based on the incoming volume in gallons.
- For any questions on completing this form, please contact our Vacuum Services Team at reclaim@lesker.com.

**The return shipment documentation must include a copy of this completed Request. The package label must clearly show the RA#.**

Return fluid to: **Kurt J. Lesker Company, Attn: RA# \_\_\_\_\_ 1515 Worthington Avenue Clairton, PA 15025**
